

With the implementation of the "Freedom of Information and the Protection of Privacy Act" (FOIPP), we are restricted from sharing student information with other families except for authorized programs and activities that are a normal part of school life.

There are often requests from parents to have a class phone list made available to all to facilitate communication. In order to do this we require written permission from you.

In addition, we are often approached by the local papers asking for our permission to photograph the students in the classroom or on class outings. We cannot give our consent without written permission from the parents of the students featured.

Please sign and return the attached permission slip if you are willing to have your child's name and phone number appear on a class list and if you are willing to have your child's photograph and name published.

Sincerely,

The Board of Directors.
